

## HAPPY SPRING.....

### Mystery of Missing Callboy Solved

Members wondered what happened to the snail mail issue of last month's Callboy (still missing in action). Amazingly attendance at the March membership meeting was a nice group and frivolity prevailed. The cast of "Jake's Women" performed a segment of the successful show before finishing a pick-up rehearsal. It was then discovered that the Callboy issues that needed to be mailed out---- missed the truck---- and missed the truck so....mystery solved it was my fault. Sincere apologies to all the members who missed their Callboy last month, I will endeavor to do better.

**JAKE'S WOMEN**

### JAKE'S WOMEN CLOSES

What a great run it was.....we had good audiences and also promoted our upcoming season and the special event "Dutch Blitzfirige". With Karen Brosey's enthusiasm we re-started the 50/50 drawing to save up for 'moving the theater' and earned almost \$300.

Our season is off to a good beginning and it's up to us to keep the energy moving. See you at "Driving Miss Daisy".

Personally I would like to thank the wonderful cast and crew for all their time and talent in making 'Jake' such a success. I am very proud and pleased with play and grateful to all those who attended the performances and support the theater. To the new members who joined RCP I certainly hope to see you around the theater.

Rehearsals are proceeding well for *Daisy*. We have a talented and fun cast, and I'm sure you will enjoy their performances. However, there's much to be done before we can celebrate. The following are our needs:

- Staff:
  - Light Person
  - Sound Person, including some special effects and music; effects include a car crash, phone ringing; music: Jewish religious music.
- Audience Escorts:
  - members to volunteer to escort audience members to and from the parking lot, particularly Fri and Sat evenings to ensure their safety; 2 to 3 members stationed at the parking lot with 2 members serving as escorts before and after the evening performances
- Sets/Props/Costumes:
  - Vanity without a mirror
  - Old Intercom
  - Chauffeur Hat
  - High-back chair, end table, sofa table, 2 lamps (1940's)

If anyone is available to fill any of the positions described above, or has (or can get) any of the needed items, please email me: [santod@ptd.net](mailto:santod@ptd.net). *Driving Miss Daisy* will be performed without an intermission. Immediately following each performance join the cast and the crew in the lobby for a meet-and-greet. Concessions will be sold at that time.

It's great to be back directing at Players. Thanks for your support and I look forward to seeing you at *Daisy*.
