Autumn is in the air, which means the leaves will soon be falling, and the smell of fireplaces burning will permeate the air. So stock up on some cider, and make sure you have your sweaters ready when taking those brisk walks to enjoy nature.

The month of October has some special dates, starting with October 1st, which is known as International Day for the Elderly. This day is dedicated to honor, respect, and care for the world's elderly, so do something nice for someone older today...remember, some day you will also be among this group! Of course, we have Columbus Day, which is always the second Monday in October and a holiday for many, which this year is October 12th. October 16th is Boss's Day, so reach out and let your boss know you appreciate him or her. Make a Difference Day, which is the fourth Saturday in October, held

CATCH 22

Catch-22 is the tale of a small group of flyers in the Mediterranean in 1944. There are winners and losers, opportunists and survivors. Separately and together, they are frightened, nervous, often profane, and sometimes pathetic. Almost all are a little crazy. **Catch-22** is a satirical, historical, fiction theatre production. It is frequently cited as one of the great literary works of the 20th Century. The pacing of **Catch-22** is frenetic, its tenor intellectual, and its humor largely absurd, though interspersed with moments of grisly realism.

We will be forming a "90th Anniversary Committee" to discuss special events and celebrations to commemorate our theatre's longevity. Please get on board with your ideas to make this upcoming year a memorable one. If you would like to head this committee or be a part of it in any way, please speak to Ruth Martelli.
